

Raynham Youth Soccer

SPONSORSHIP 2013

Dear Sponsor:

Please consider a donation to Raynham Youth Soccer (RYS). Your donation will help provide important resources for children within our community that want to play the sport of soccer. Your participation in assisting with our organization teaches our players (and future community leaders) about the importance of giving back. We take pride in what we have been able to accomplish with our program, but it takes sponsors like you to help us maintain this program.

We are pleased to work with you. Ultimately our players benefit from the generosity of our community and it is a wonderful feeling to know that we are so greatly affecting their young lives.

Sincerely,

Haresh Daryanani
RYS President
